#### February 25, 2020 - February 28, 2020 Hyatt Regency Orange County | Anaheim, California

This conference is jointly hosted by the Water Environment Federation and American Water Works Association, in cooperation with the California Water Environment Association and the Water Research Foundation.

Water and wastewater managers and professionals will gather to hear the latest approaches, practices, processes, techniques, case studies, and research in all aspects of utility management.

Over the past 30 years, members of AWWA and WEF have established The Utility Management Conference as one of the leading, most informative, and most prestigious management conferences available. Come prepared to share your experiences and learn from others in similar situations as we respond to the most pressing management issues of the day.

#### Overview

The Office of Management and Budget's (OMB) Uniform Guidance (2 CFR 200) guides the performance measurement and management activities required for all Federal financial assistance awards. Develop a foundational understanding of performance measurement approaches and the specific requirements and definitions in the Uniform Guidance. Learn to apply performance-based principles to grant projects by gaining critical insight on how performance measurement affects each phase of the Federal grants lifecycle. This is an elective course in all tracks of the GMCP™.

#### Who Takes This Course

Anyone in the grants community—awarding and recipient personnel alike—who needs to apply performance-based principles to grant projects and programs will benefit from this course.

#### Overview

The Government Accountability Office (GAO) has found that billions in Federal grant awards are subject to waste, fraud, and abuse. Grant recipients and other grants personnel must be vigilant in detecting and preventing fraud in grant administration. You will gain an understanding of potential fraud risks inherent in various programs and entities, and learn techniques to mitigate those risks. Case studies will enhance your learning, enabling you to practice identifying and preventing fraudulent activities. This is an elective course in all tracks of the *GMCP*<sup>M</sup>.

#### Who Takes This Course

Federal and Pass-Through Entity personnel responsible for overseeing grant recipients/subrecipients and recipient personnel responsible for grant project administration will benefit from this course.

#### **Recommended Follow-on Courses**

- Forensic Auditing: Detection and Prevention of Fraud
- Audit of Federal Grants and Assistance Awards
- Closeout of Grants for Federal Personnel
- Evaluating Financial Capabilities of Grant Recipients
